## Congratulations Futurity Winners!

The Blue River Gang congratulates the 2018 Futurity Participants on their BRG Futurity Winners!

Futurity Champion

Since the last time we sat down to write this letter, there have been quite a bit of a change for us consignors. Our families continue to grow and time seems to go quicker and quicker. We still managed to put together a set of cattle that we believe the most discriminating cattlemen would admire. Each year, we say that the quality is the best to date which we believe holds true again this year. We continually are searching for cattle and genetics to enhance our herds. There is a lot of blood, sweat, and tears that goes into our ET, AI, and breeding programs, but as our quality of cattle has increased significantly over the past few years, we find it all to be worth it. We feel there is something for everybody in this set. Over the summer, we had great reports from satisfied customers in the bull and bred division and had winners on the county and state level in our open heifer division. We welcome all customers, new and old, to call with any questions or to come out and see the cattle in person. There are always a lot of familiar faces on sale day, which we truly appreciate. It is because of your continued support that we can be in an industry that we love and offer these cattle. Thank you for your interest in our sale. We look forward to seeing you on sale day!

Every year, our open heifers sold on the sale are eligible for a futurity show held mid-summer at the Ruth Farm following the sale. With \$1500 of total winnings, this is a very worthwhile event. The winnings can then be redeemed at the following year's sale as credit. The futurity is not limited to just 4-H and FFA members. It is open to anybody purchasing heifers at our sale.

We hope everyone can make plans to attend the 37th Annual Blue River Gang Sale. Again, feel free to call with any questions on the sale offering. You can contact any of the breeders or the sale management. Hope to see you sale day!

# Blue River Gang Sale

SIMMENTAL  
SIMANGUS™ & ANGUS

**SUN. FEBRUARY 3, 2019 | SALE TIME 12:00 NOON | RISING CITY, NEBRASKA**

### Terms & Conditions

Yearling bulls will be fed at our cost, if so desired, until March 15, 2019. Blue River Gang partners reserve the right to collect and retain 1/2 revenue sharing semen interest in all 2019 sale bulls. All cattle sell under the Terms & Conditions of the American Simmental Association & the American Angus Association. Terms available sale day. Checks payable to Eberspacher Ent. Inc.

### EPDs

EPDs listed are BOLT 12-24-18 numbers. Please note, EPDs may change from the time sale catalog is printed until registration papers are transferred.

### Announcements

Announcements made sale day and from the auction block during the sale take precedence over printed material associated with this sale. Anyone attending this sale attends at their own risk. Breeders or any of the sales force will not be held responsible for any personal injury for attending this sale.

### Sale Order & Updates

Additional information and sale order can be found on the Eberspacher Enterprises Inc. Facebook page. Like us and receive the updates automatically. Download the EE smart phone app for all current sale information!

### Insurance

Insurance will be available sale day through sale management and Jame Secondino of American Livestock Insurance, 812-208-0956.

Here are four full sisters out of our exciting donor cow BADJ Aubry 117A. These girls are all jet fronted, big hipped, and coon footed. All would excel in the show ring and at the end of their career, they'll be front pasture cows. We sold a full sib to Ty Peterson last year and she stood champion in multiple show rings. Halter broke.

This could very easily be our sale feature for our offering in this year's sale. This purebred has a great EPD profile and is about as powerful as we can make one. She is out of our top donor W83 who is quickly approaching \$100,000 in progeny sales, something we have never had a cow do. For the past five years, W83 has had sale toppers in the bull, open and bred divisions. We are extremely pleased with the Cowboy Cut mating and believe it is her best to date! With the way this heifer is put together, we truly feel she could follow in her mother's footsteps and be a winner in the showing and find herself in the donor pen after her show days are over. Full sibs sell as Lots 35-35C.

Sire

This is one of our favorite heifers in the entire offering. She has been an absolute standout since birth. She has so much power to her yet carries it in such a well-designed package. It's pretty hard to find heifers of this quality that don't have any Dream On in their pedigree. She is out of a top notch first calf heifer with a tremendous udder and managed to have a Adj. WW of 742. This kind will raise both high end bulls and heifers down the road. Very gentle and ready for the showing.

A few years back, we were searching for a female to add to our donor lineup and couldn't have been more pleased to find LLSF Robins Blitz B936. She was the top selling heifer from Lee Simmental Farms Annual Sale in Missouri. She is backed by Rockin Robin, a cow that has left a huge impact in the breed with both AI sires and big time donors carrying her lineage. In her short time here this donor has exceeded our expectations and these two heifers are a great example of what she can produce. Lot 11 is a very complete blazed faced heifer by The Judge that carries a lot of her mothers characteristics. Deep sided, free moving and has plenty of power. She will be a fun one to show but I think the highlight in her life is what she will be as a producer down the road. Lot 12 is a 3/4 blood heifer by Uprising that I truly believe can be a major player in the showing. Study her picture, she is great hooks to pins, has plenty of belly, and ties into an admirable front end. From a structural standpoint, she can get out and move and has a great set to her feet and legs. After her showing days are over, she will surely be a front pasture cow! Both heifers are very gentle and halter broke.

BF The Judge, Sire

Here is a very well made heifer by The Judge that goes back to our 412 Angus donor. Very appealing in her lines, she offers a great hind quarter and ties into an attractive front end. These are the kind that go on to make great cows and she's halter broke!

Lot 16

## ELITE ANGUS OPEN FEMALES

JJR Delia Y500, Dam

ONeills Delia 715, Grandam

Long bodied, beautiful heifer with excellent EPDs. Her dam is our donor JJR Delia Y500. She combines two tremendous bloodlines, SAV Bismarck 5682 and ONeills Delia 715. ONeills Delia is one of the real power cows in the breed. She is the dam of ONeills Expedition, Lucky Boy and Power Force. Her embryos topped the National Western Female Sale two years in a row. Her sire, Final Answer, needs no introduction, a daughter of his recently sold half interest for \$300K. He has sired the most registered animals in the breed. He will go down in history as one of the greatest calving ease and maternal sires of his era.

 Hooks/RMR Classic Break

BF The Judge, Sire

This guy didn't quite take the photo he is capable of on picture day. He's quick to find in the pen and I'd put him among our top 5 bulls. Of our offering, he is one of the best pound bulls. We really appreciate his length, depth, mass, and overall structure. If his mother isn't putting a bull on the sale, the heifers find themselves right back in the keeper pen. Make sure you find this guy sale day, it shouldn't take long.

This Innocent man son offers a lot of performance. This one was easy to spot out on grass for he was one of our stoutest made calves. At the end of the day in the cattle industry, we get paid by the pounds and I think this guy would do just that, add pounds. Notice his Adj. BW of 76 and Adj weaning weight of 754.

This Cowboy Cut son could be the best bull we have ever offered. F460 is huge hipped, huge middled, and extremely sound on the move. He has the fleshing ability to excel in any environment and the performance to turn it into profit. I would recommend this herd sire to any program. Full sib to Lot 2.

W/C Lock Down 206Z, Sire

This bull should find his way to the top of many cattlemen's lists. He goes back to our 412 Angus donor who is now deceased. His mother's full sibs were among the top end of the sale for three consecutive years with the high seller in 2017. This bull is versatile and could be used in any program. With his head shape, smooth shoulder, and an Adj. BW of 67, he would be ideal for calving ease. Not only did he come small but he weaned off with an Adj. WW of 751. One of our favorites from both a phenotypical and genotypical standpoint. Ranks in the top 25% for API and top 15% for TI.

For the past five years, our W83 donor has been nothing short of outstanding. She has proven that no matter what the mating, she can raise a great one. For the past five years, she has had sale toppers in the bull, open and bred heifer divisions. We really like the Cowboy Cut cattle and couldn't be more pleased with how this mating turned out. What we appreciate most about these four brothers is how versatile they are. Whether you are aiming to raise seedstock, keep replacements or put pounds on cattle, these bulls can get it done. Another thing these four have going is that they are just as impressive on paper as they are in person. For maternal traits, their CE and MCE are in the top 25% and top 10% of the breed. For terminal traits, they find themselves in the top 15% wean, top 25% for year, and top 25% for terminal index. They all bring something a little different to the table. Lots 35 and 35B being the most complete, powerful, and well balanced bulls we have ever offered. They all excel in performance but out of the four, Lot 35C looks to have the most growth. Lot 35A was a favorite as a calf and continues to impress as he gets older. Make sure to look these guys up sale day, they wont be hard to find!

Ruth Danika D637

WLE Uno Mas X549

CAJS Khloe 42ZA

W/C BF Innocent Man

Hook's Utmost 82U

This is one stylish bull out of the calving ease sire Blaze of Glory and comes from a great cow family. You have to appreciate this bull especially when he profiles. Very complete, very well balanced. His grandam has been putting bulls on the sale for years. His mother is a great producer with an excellent udder. With calving ease in his blood lines, ranking in the top 25% for CE and 15% for BW, and an actual BW of 75, we recommend using him on heifers.

BF The Judge, Sire

This guy's grandam was notorious for raising high end bulls for J&C Simmentals. In our 2015 sale, one of our top bulls was a full sib to this guy's mother, so when the opportunity came up to purchase her, we knew we couldn't pass it up. This bull is exactly what we expected her to raise in terms of quality and performance. This guy will add pounds to those calves and should add a splash of white on their face.

This blazed faced bull is great in his lines with great rib shape, powerful hip and ties into a smooth shoulder. If you were looking to keep heifers back, I think this guy would be a great candidate for raising blazed faced females. With his outcross pedigree, it gives you a lot of breeding options.

We can't say enough good things about this bulls sire Command. Every year he goes out covers a large group of cows and his calves either end up in the keeper pen or in the top weight bracket at the sale barn. I really like the way this blazed faced bull ties together, great hind quarter, great rib shape, and a smooth front end. Look for him to put the same stamp on his offspring!

EXAR New Design 4212, Grandam

Quaker Hill Rampage 0A36, Sire

V A R Blackcap 9322, Dam

Very well put together bull, clean and has an extremely good top line. He has excellent EPDs. Dam is our donor female from Vintage Angus. She is a daughter of EXAR New Design 4212 and a full sister to VAR Blackcap 931, both are the top donors in the Vintage Angus program. Quaker Hill Rampage is a heavily muscled, powerfully constructed Daybreak son with incredible growth and performance. His EPDs offer impressive calving ease and growth.

WR Journey-1X74,  
Sire

S A V Blackcap May  
4558, Dam

S A V Blackcap May  
4136, Grandam

All three of these bulls are especially long, stylish and clean fronted. Dam is a full sister to the \$650K SAV Sensation. She is a daughter of the great SAV Blackcap May 4136, one of the most prolific and influential cows in SAV history producing over \$8.5 Million in progeny. These bull's dam, SAV Blackcap May 4558, is the #1 SAV Registry daughter in the Angus breed for WW, YW, \$F and \$B; she has already produced several outstanding progeny. Sire, WR Journey 1X74 is an elite sire of calving ease genetics as well as top 2% Rib Eye Area and top 15% Marbling, \$ Grid Value, \$ Quality Grade, \$ Yield Grade and \$ Beef. He is a breed leader for Docility. Admired for his length of body and excellent foot structure, his daughters have been popular sale features.

We are very pleased with the results of our herd sire THE JUDGE. This bred is a great example of the type and kind he produces. Take a look at her picture, shes very complete and very hard to fault. I think the mating to Lock Down could produce something pretty special! The work will all be done by sale time!

This is one of my favorite breds in the offering. Study her pedigree, she is backed by two of the top bulls in the industry - Executive Order, and Cowboy Cut. On paper, she ranks in the top 15% Wean, 35% API, and 10%TI. This one is hard to poke a hole in and with a pedigree and EPD profile like hers, I truly believe she can raise high dollar cattle every year. She'll have a Lock Down calf at side that could likely pay for her in one shot!

Pasture Sire: RBCK Slider 15-97C from 5-15 to 7-20-18

I really like the lines in this Cut Above bred. Great hiped and a beautiful front end. With cattle becoming more and more moderate, this gal would be a perfect balance. Out cross pedigree that has proven to work over the years. The vet called her due likely to the AI sire but we will know more by sale date.

This red blazed beauty goes back to the great donor of Felt and Forester Farms that was a past Supreme Champion at the NECC. She has a great EPD profile and ranks in the top 25% of the breed for both API and TI. She comes from a great outcross pedigree and gives you a lot of options for breeding down the road. This one's picture doesn't lie, she is good! She'll sell with a Blaze of Glory calf at side and I would expect it to be a great one.

E25's mother was purchased from Schwang Cattle Co and has been a terrific producer for us putting several offspring through this sale. This moderate made gal sure does catch your eye and is great in her lines. Not to mention, she has a perfect blaze. The work will all be done by sale time as she will have a Lock Down baby at side.

W/C Lock Down 206Z, AI Sire

This is an exceptional female with excellent capacity and thickness. She has great EPDs. She is a flush mate and full sister of the top selling female at the National Western Foundation Female Sale selling for a value of \$50K. She has the #1 EPDs in the breed for WW (101) and YW (177). Her dam is a full sister of Resource. She is the number one Rito 7075 daughter in the breed for WW and YW. Her sire is proven and a consistent sire of thickness, muscle, growth and breed leading performance. Structural integrity and superior feet, daughters are productive cows, grandam continued in production for 19+ years.

# Turn-key Cow-Calf Buildings

Is limited pasture availability limiting your ability to expand your cow herd?

Complete or semi-confined cow/calf production could be the answer. With a managed environment, there are no limits to what can be done under a roof.
