

SIMMENTAL, SIMANGUS & ANGUS

Three cows are shown from the chest up, looking over a wooden fence. From left to right: a black and white cow with a white blaze and a blue tag with the number 218; a solid black cow with a yellow tag; and a brown and white cow with a white blaze and a yellow tag. The background is a wooden wall.

# Blue River Gang Sale

**41ST  
ANNUAL  
SALE**

SATURDAY, FEBRUARY 4, 2023 | SALE STARTS AT 12 NOON | RISING CITY, NE

# Welcome to our 41st Annual Simmental, Sim-Angus & Angus Production Sale!

We would like to take this opportunity to invite all cattlemen and women to our 41st annual Blue River Gang Sale. It is a fun time to be in the cattle business. Recent sales in the Midwest have six weights bringing around \$2 pound or higher. Large parts of our region have been fortunate as of late receiving some much needed moisture and we continue to pray for more, and pray for those who are still dependent on moisture to continue their operations.

A huge thank you needs extended to our family and friends that make this day possible. There is a lot of work that happens the months and weeks prior to the sale to pull this day off. We have been very blessed over the years with great people that have come to help and make this day happen.

We are very excited to show off our offering this year. We feel this is one of the deepest sets yet. Our families thrive off success stories from last year and years past from our customers. We continue to breed for cattle that are functional, powerful, and have great eye appeal. When we get reports of feeders topping the local sales, calves winning shows, or fats performing on the grid that gets us excited to make the next great one year after year. We are confident that in this year's offering there is an animal to fit your operation and needs. Thank you to our customers (new and old) for your continued support, we would not be able to continue our passion raising and breeding cattle if it was not for you. If you are new to our programs and have interest in the cattle feel free to reach out at any time. We love talking cattle.

With everyone's chaotic schedules we have elected to go away from our futurity show held in the middle of summer. We still feel it is imperative to support our youth in the ag industry and we have put together the below program as an incentive.

## NEW JUNIOR INCENTIVE PROGRAM:

- \$200 County Fair Supreme Breeding Heifer
- \$150 Reserve Supreme Breeding Heifer
- Overall Showdown / District (not qualifying districts)
- \$500 Supreme Showdown / District
- \$300 Reserve Supreme Showdown / District
- State and Aksarben: Breed Champions
- Champion \$1000 and Reserve \$750
- Regional: Breed Champions
- \$1500 Champion and \$1000 Reserve
- National: \$2000 Champion and \$1000 Reserve

The Blue River Gang will award these champions in sale credit.

9153G, Sire

This girl has been an absolute standout since birth. Her grand dam, owned by Lee Simmentals, is one of our favorite cows in the breed and this girl's mother is gaining a lot of attention around the farm. Study her picture and video, she's hard to poke a hole in. She thrives on paper as well having five traits in the top 20% of the breed. This is the front pasture kind, broke to tie.

# Angus Opens

Show prospect, very stylish and clean fronted along with tremendous depth of rib and thickness. 12 EPDs under 15%. RB Lady Denver was the top bred cow at the Riley Brothers 2017 sale going for \$30k for 1/2 interest. Her flush sister RB Lady Denver 428 produced the \$200,000 high seller in the 2017 Las Vegas Angus final sale. Another flush sister, RB Lady Denver 167-453 is a standout in the donor pen for Linz Angus. Dam is a full sister to Tour Of Duty. EZAR Adoration has 18 EPDs at 15% or under; unbelievable growth, maternal and carcass. His pedigree is packed with great individuals: Basin Payweight, Discovery and Connealy Consensus.

Beautifully made heifer that's long sided, deep chested and carries her thickness throughout. SAV Blackcap May 4566 has produced many of our top selling bulls. She is the dam of our top selling bull in the 2019 Cattleman Classic. She is one of our donors out of SAV Blackcap May 4136, the legendary cow of Schaff Angus that has produced over \$10M in progeny. She is a full sister to SAV Revolution. SAV America 8018 is the \$1.89M valuation all-time, top selling, world record son of President. He literally shattered every record including the all-time record at Schaff Angus Valley for 205 day weight at 1107 pounds and the most money ever paid for a bull in history. He is a one of a kind breeding piece resulting from the last embryo produced out of the legendary SAV Madame Pride 0075, who has produced over \$5.5M in progeny sales. America is truly unique.

Poss Maverick

Basin Payweight 1682

Poss Pride 5163

S A V Blackcap May 4549

Rito 707 of Ideal 3407 7075

S A V Blackcap May 4136

She is unbelievably thick, super depth of rib and broody. She will be the bull producing kind of cow. Her dam is the daughter of SAV Blackcap May 4136, the most prolific and influential cow in the SAV history producing more than \$10M in progeny. Poss Maverick is now proven to be a leader ranking in the top 1% of current sires for Marb, \$G, \$B and \$C. He has recently been added to Herbsters Angus bull battery.

Extremely long bodied, stylish heifers. If you are looking for a show heifer that will return to your breeding program as an excellent brood cow these are the ones. SAV Blackcap May 4558 is a full sister to SAV Sensation, the \$950K bull that sold to Herbster Angus. She is the number one Registry daughter in the breed for WW, YW, \$F and \$B with a top 5% for \$W. She is the daughter of the great SAV Blackcap May 4136, the most prolific and influential cow in the SAV history producing more than \$10M in progeny. Connealy Blackhawk 6198 is an elite growth sire while keeping BW in check. He adds frame size, performance, body length and stoutness. He offers strong maternal qualities rank in the top 10% for \$W.

If you're looking for a structurally correct and extremely well moving bull that will have great longevity, this is your guy. This blaze faced bull is super soft off his pasterns and is exceptionally good out of his front 1/3. He will definitely add eye appeal to your calves. Being big hipped and huge ribbed, he will surely give your calf crop some dimension and shape as well. His mom has been flushed and sells as a donor cow on this sale as Lot 55 (302G). This is her natural calf. Keep this bull and his mom on your short list. **Recommended for Heifers.**

Hook's Eagle 6E, Sire

Ruth Eagle J93, Full Brother

Here is the full brother to our high selling bull last year. Like his brother, he is kind that checks all the boxes for us. His dam has produced year after year for us and is one of our top producers. He came out with an actual birthweight of 79 pounds and posted an adjusted weaning weight of 708 pounds! He thrives on paper having 10 EPDs in the top 20 % of the breed with an API in the top 10% and TI in the top 4% of the breed. He is bred and designed to be used on heifers, make replacements, bulls, feeder cattle, or to take cattle to grid. A bull that checks all the boxes. **Recommended for Heifers.**

We have gone back and forth all year on which of these full brothers we liked most. All three of these brothers offer a substantial amount of power, middle, and hind quarter while having that elite look. Study their video and you will see they excel on the move. They are out of our 936 donor who stems back to the great Rockin Robin female of Jerry Lee. Last year, their full sister was one of our top opens and went to Hilbrands Cattle Co. of MN. We'll let you decide sale day on which one you like best, but I don't think you could go wrong with any of them. Some of the most complete bulls we have ever offered.

LLSF Robin Blitz B936, Dam

J936 is the natural calf out of our 936 donor by Halftime. Study this guys picture and video, he's easy to admire. A very good structured bull with a lot of power and middle. Of all of our cows, our 936 donor has one of the nicest udders on the farm, we look for this guys offspring to provide the same.

**BF Miss Steel Force 83W,** Dam

You will see this guy's dam throughout this years catalog and catalogs of the years past. She has been the matriarch of our program and has posted sale toppers in the bull, open, and bred divisions. Unfortunately, we lost her last year, but her genetics will keep on through the several daughters we have retained. On one of her last flushes, we elected to use the Angus bull Reliant who is known for adding power and performance into his offspring. Look for this guys offspring to set down the scales like his daddy and have great eye appeal like his momma.

This strong aged bull is an absolute powerhouse and is at the very top of our offering. He has our top weaning weight of all our bulls offered this year. In the pen he stands out in terms of power, length of body and performance. Look him up sale day, he excels over his fall contemporaries and is up there with the two-year-olds in terms of mass and performance. For as much power as this guy offers, he excels on his feet and legs and looks great on the profile. His dam, Confide In Me, is a full sister to Mr. Confidence the Denver Champion we showed in years past. He has a very balanced EPD profile, showing modest CE and BW while thriving at his wean, yearling, and ADG. A true cattlemen's kind that can stamp his progeny with the same attributes he possesses.

J882 is a bull that came out 78 pounds and weaned off at 790 pounds. He posted a weaning ratio of 112! Backed by a great cow family his grand dam is a donor at Sloup Simmentals. His mother has a picture perfect udder and raises good ones for us every year. His half brother last year was amongst the top of our offering and it looks like she delivered again! Look for his calves to come easy and perform on feed!

CDI CEO 281D, Sire

This guy is flat out impressive when you stand behind him. Such a wide rear end and massive top. Study his picture on the profile, and he is hard to poke a hole in as well. He is a flat out stud. He was amongst the top of our bulls in terms of weaning weight. We had great success with mating our top donor W83 to Executive Order in the past and elected to do a mating to one of EO's top sons CEO and it clicked! A bull that can add pounds come weaning and grid very well.

Ruth Ms G84

CCR Wide Range 9005A

Ruth Ms. Fancy B 84

These two Frosty sons are out of our young and up coming Donor we call Fancy. This mating turned out to be everything we hoped it to be. These bulls are massive middled with a powerful hip and big foot. They are bred to enhance weaning weights and if you study their EPDs, it says just that. J0151 is the bigger framed of the two that came out with a higher BW and posted the higher weaning weight. J0113 came out with a modest BW of 81 and posted an impressive weaning weight. At the end of the day we get paid in pounds, these bulls can add 'em to their offspring!

Every time we would go look at the Fall herd this guy stood out. The Halftime sired calves have an excellent disposition hence their lack of wanting to pick their head up in the picture pen. He reminds a lot of his sire Halftime, a lot of power, performance, and very athletic on the move. His mother, a 20/20 by our 936 donor excelled raising him as a first calf heifer. He was one of our top weaning fall bulls.

If you are needing to add some frame and length of body to your calves, make sure to look this guy up. His dam is a Judge daughter that goes back to one of our top Meyer cows. A lot of proven genetics running through this strong aged bull.

SS Magnificent Dreams, Dam

This is one of, if not the best bull that we've ever brought to this sale. You will be hard pressed to find one with this much mass and dimension. He's big boned and huge hiped. He truly is an impressive bull. That being said, he is also extremely sound and moves soft off his pasterns. We cannot say enough how much we like this guy. He's by the North American Champion, LLSF Pays to Believe and is from a great cow family out of the awesome SS Magnificent Dreams cow. We invite you to come see him in person. He won't disappoint!

Summer calf and the last natural calf of the great JJR Delia Y500. He is thick with excellent length of body. JJR Delia Y500 combines two tremendous bloodlines SAV Bismarck and ONeills Delia 715. She is the dam of ONeills Expedition, Lucky Boy and Power Force. JJR Delia possesses a super phenotype and genotype with 13 EPDs in the top 25% of the Angus breed. Dually was a powerful bull ranking in the top for WW and YW with modest birth weight. His semen is difficult to get as he died at an early age. People who saw him say he was the best bull they had ever seen. He was the sire of the highest priced bull I have ever sold.

DL Dually, Sire

JJR Delia Y500, Dam

# Angus Females

This female has it all.. genotype and phenotype. She is beautifully made, long bodied, deep chested and thick. Very broody and easy fleshing. Full sister to top selling heifer last year. WMS Blackcap May 5136 is a powerful female, Colonel Matt Lowery said she may be the best cow in the breed. Beautiful phenotype and her early production is impressive. She is a full sister to SAV Blackcap May 4136, one of the most prolific and influential cow in the SAV history producing more than \$10M in progeny. LD Capitalist 316 is a calving ease bull that is phenotypically phenomenal! Heavy muscled, bold ribbed and super sound footed, he couples extreme calving ease with performance and power. Here is a bull to inject muscle, substance and shape with balanced EPDs and the look we like.

# Simmental Females

Here is the full sister to our high selling open heifer last year (Ruby) that demanded \$21,000 and went to Sloup and Fenton. I wrote in Ruby's footnote last year that she was one of the most elite breeding pieces that we have ever offered, I could echo that statement for this girl as well. She is stunning on the profile and excels on her feet and legs. She's due to have a heifer by Red Empire right at sale time. There is a lot of hype with the Red Empire cattle across the country right now and he has exceeded our expectations at home. We think this mating could click in a big way and make a great one. J151 will get nervous in tight quarters. **We are selling her in her entirety, but are open to becoming partners with the new owner, if this opportunity is intriguing to you, reach out at any time.**

This is an exceptional donor cow with no holes. She's really extended through her front end and bigger framed. She puts that extra soundness and punch in her calves. Only being flushed twice, she has a bright, long future ahead of her. She was underutilized in our program, and we are excited to offer this exceptional female to a donor program where she will get the attention she deserves. For the one that get this standout female, we would love to see the result of her current breeding to SJF Payroll after she calves! We are excited about this mating to Griswold's new red baldy bull.

Bar none, this blaze-faced female is exceptional and is a big-time donor cow in the making. The huge amount of rib shape she possesses is incredible. She is great everywhere. Square out of her hip. Powerfully constructed. Wicked fronted. She was successfully shown by the Lauritsen family. This 20/20 x Red Jewel mating has been proven time and time again. We believe so much in this heifer that we flushed her as a virgin heifer to SAM and are excitedly awaiting the result of this mating. Her first natural calf to Lover Boy will be exciting to lead off her breeding career. I really don't want to let this one go, but we are offering our best.

This girl reminds me a lot of her mother who was a top producer for us. Last year, she sold as one of our top pairs to our friends at Sloup Simmentals. Out of Eagle on the top side, she is backed by an impressive EPD profile. This is the kind that is capable of raising high end bulls and heifers with look and numbers. She has a really nice blaze faced bull calf at side by Frosty, beautiful udder.

### LOT 71A: BULL CALF AT SIDE

Sired by LLW Card True North G71 • BD: 12/19/22 • BW: 70

Est. PM EPDs: 12 1.3 72 96 .16 5 20 56 11 7.2

Carcass: 15.8 -.45 -.01 -.08 .90 112 70

Out of Cramer Schneider, Fenton Farms, and Bill Sloup's famous Steel My Heart donor cow, who is a full sib to Broker, this is an excellent donor cow prospect. We think this one will follow in her mom's footsteps raising calves that look the part and generate some revenue! She has an excellent blaze-faced bull calf at her side. Come see this pair in person. She's a structurally correct, powerful female that won't disappoint.

JM Steel My Heart, Dam

BREEDER: Naber Farms

AI Sire: THSF Lover Boy B33 on 6/22/22 • Due 3/31/23  
Est. PM EPDs: 12 1.15 82 116 .21 6 26 67 13 14.85  
Carcass: 23.4 -.43 .19 -.08 .86 132 83  
Pasture Sire: NABE Primo 426H from 7/22 to 9/30/22

Built like a truck but with lots of feminine appeal, this is a powerful, big boned female. Full sib to Bankroll 115K who also sells on this sale. Other full siblings have been high sellers on previous sales. She comes from a dollar generating cow family. The consistency of this pedigree is time-tested.

DF Miss Pep 301A, Dam

This baldy heifer by Main Event has the look! You don't see a lot of the Main Event offspring with this much look and extension of neck. Vet called her safe in calf to the herd sire Guapo for an April calf. Good odds of this ones baby to be a baldy!

Guapo, Pasture Sire selling as Lot 45

We got this bred from our good friends at Gonsior Simmentals. Her first daughter was one of our feature opens back in 2021. She had another good bull calf last year and does a good job raising a calf. She's bred to our new herd sire Timeless which should be an exciting calf! Vet called her for an early February calf.

I might get kicked out of the will for letting this cow go as it is one of Mom's favorites. She has done a tremendous job for us raising sale toppers in the bull and heifer divisions the past years. Last year she raised one of the high selling opens. In years past, her full sibs were high sellers in the bull and open divisions. At her age, this girl still excels on her feet and legs. She's AI'd to True North, but vet called her safe to the pasture sire Timeless, we will know more by sale day. Don't hesitate to give us a call when her baby is born, especially if it's a baldy heifer!

Here is a Judge daughter that is made very well. Huge hip, big middled and plenty of power. The past few years we have sold bulls off the farm out of her. She's bred to our new herdsire Timeless, which we have high expectations for. She has a spot in her right eye that is a result of an injury as a calf, still has partial vision in that eye. A great young bred with a lot of potential. Vet called for a February Calf.

ES Timeless JZ33, Pasture Sire

SAV Blackcap  
May 4136,  
Full Sib to Dam

DL Dually,  
Embryo Sire

WMS Blackcap May 5136 is a powerful female, Colonel Matt Lowery said she may be the best cow in the breed. Beautiful phenotype and her early production is impressive. She is a full sister to SAV Blackcap May 4136, one of the most prolific and influential cow in the SAV history producing more than \$10M in progeny. DL Dually is a powerful performance ranking sire in the top 1% for both WW and YW EPDs with a modest birth weight and calving ease package. Soft, soggy look with added dimension and muscle expression, outstanding maternal potential with top end \$Weaning, docility and heifer pregnancy values. Last opportunity to acquire genetics from this now deceased high impact sire. **Guarantee of one 60 day pregnancy if work is done by a certified embryologist.**

JJR Delia is one of our productive donors, still have 40 embryos frozen. She possesses a super phenotype and genotype with 13 EPDs in the top 25% of the Angus breed. ONeills Delia 715 is one of the real power cows in the breed, the matriarch of Jim ONeills Angus program. She is the dam of Expedition, Lucky Boy and Power Force. Her embryos topped the National Western sale two years in a row. SAV Bismarck 5682 is a popular and proven outcross calving ease sire who uniquely stamps his low birth weight progeny with exceptional muscle shape, volume and style. Bismarck encompasses all areas vital to mainstream beef production from calving ease to carcass to making great cows. Jindra Acclaim ranks at the top of the breed for \$Beef while also ranking in the top 10% or higher for calving ease, WW, YW and 6 other EPDs. He is an outcross and is long bodied boosting growth and maintaining calving ease. **Guarantee of one 60 day pregnancy if work is done by a certified embryologist.**

This past year we lost our W83 Donor. There is no doubt she was one of our most influential Donors in our program. In her life, she exceeded well over \$200k of progeny sales. Flip back through old catalogs and year after year you could find sale highlights out of her. We have several of her daughters in production and they all have delivered for us. W83 always excelled at making eggs so we have enough frozen that we can offer these, however these will be the last W83 embryos we will offer. With numerous offspring bringing in the \$5000 - \$10,000 range, these are as close as you get to a sure bet! Lots 81-81B: Guarantee of one 60 day pregnancy if work is done by a certified embryologist.
